## About SMS

School of Management Sciences, A+ Rated Business School started its mission for imparting world class technical education by establishing School of Management Sciences in the year 1995. Since then it has achieved tremendous growth & has been able to mark its presence across the globe through its educational tie-ups with Claflin University, USA; California State University, USA; UNESP, Brazil; & Szent Istvan University, Hungary. Presently SMS is contributing to the society in the field of Management, Engineering & Computer Science through two world class organisations, SMS, Varanasi & SMS Lucknow.

## About C-SHE

Centre for Spiritualism and Human Enrichment was established by School of Management Sciences in the year 2003 with the noble objective to create a strong platform for all those who are interested in contributing towards enriching human lives and the modern management science through spirituality. This Centre has been established to explore the possibility of blending spirituality and human values with the modern management principles and practices so that a new sustainable and holistic model of management could be created. Since its inception in the year 2003 this Centre is making sincere efforts to fulfill the objective for which it has been established. Centre has already organized numerous conferences, seminars and workshops of national level to gather and disseminate ways and methods for inculcating spirituality and human values in management in theory and practice. Publications of journals and books have also been a regular feature of the Centre for spreading the relevant knowledge. Centre is also making sincere efforts to develop free e-content knowledge material based on the objectives of the Centre for reaching to the people across the world.
